From: Richard J. Vogt
 Director, WSR-88D Radar Operations Center

Subject: Amended Date: Turn-Off Date for WSR-88D Low
 Resolution Products is Extended to December 3, 2014

Amended to reschedule the date on which NWS will discontinue the distribution of products in Table 1 below from December 3, 2013 to December 3, 2014

On or about December 3, 2014, NWS will cease disseminating the radar products listed in Table 1 via the Radar Product Central Collection Dissemination Service and SBN/NOAAPORT. This delay will provide users of these products additional time to transition their software to the higher-resolution products now available.
